KAPLAN INTERNATIONAL

International admission guide 2023–24

Arizona State University

What does it mean to go to the No. 1 school for innovation and global impact?

Arizona State University is a new kind of university, dedicated to innovative ideas and academic excellence to help you get where you want to be in life. At ASU, you are joining a community of scholars from around the world.

- Courses are taught by a student-focused faculty that includes Nobel laureates, Pulitzer Prize winners and Fulbright Scholars.
- Knowledge delivery goes beyond traditional methods, putting students in the middle of active learning experiences.
- Many students have opportunities to work with professors as team members on significant research projects.

You'll thrive in this environment of innovation, excellence and inclusion, which in turn will prepare you to thrive throughout your life.

The wide range of options we offer to international students can be accessed via our global partner, Kaplan International.

Culture and excellence

Culture at ASU

The ASU community is rich in many cultural, social and global traditions. Culture at ASU promotes identity, inclusion and expression to build a strong community, reflective of ASU's charter. Comprised of students and faculty members, Culture at ASU sponsors festivals, talent shows and other events to highlight these communities and cultures. Follow Culture at ASU on social media to learn more about the many celebrations and cultural events on campus. asu.edu/culture

Barrett, The Honors College

Barrett, The Honors College is designed to enhance the ASU undergraduate experience. Think of it as having dual citizenship in both Barrett and ASU. Barrett students have access to the vast resources of ASU while being part of a small living-learning community of scholars. In addition, they get personalized attention, exclusive faculty interaction, and special internship and research opportunities. asu.edu/honorscollege

We know family is important to your university experience. Watch this video about welcoming new families to ASU.

Academic colleges

The university's schools and colleges each have expertise and undertake research in specific academic disciplines or professional areas. You will belong to one of these schools when you pursue a degree at ASU:

Business, W. P. Carey School of
Design and the Arts, Herberger Institute for Engineering, Ira A. Fulton Schools of
Global Futures, College of
Global Management, Thunderbird School of
Health Solutions, College of
Integrative Sciences and Arts, College of
Interdisciplinary Arts and Sciences,
New College of
Journalism and Mass Communication, Walter Cronkite School of
Law, Sandra Day O'Connor College of
Liberal Arts and Sciences, College of
Nursing and Health Innovation, Edson College of
Public Service and Community Solutions, Watts College of
Teachers College, Mary Lou Fulton

"I chose Arizona because of the weather, but when I came here and studied, I loved it. People would not believe me when I say I have friends from all over the world. I have friends from Japan, Korea, Brazil, even Mexico — **if you have friends from different cultures and different backgrounds, you can learn a lot.**"

Abdulrahman A.
Kuwait
English (linguistics)

"ASU has been a very welcoming place. The people, culture and environment are very inclusive. It is easy to find help and resources for anything, it is easy to relax and have fun, and most importantly, **it is not hard at all to succeed personally, academically and professionally, thanks to the warm, supportive atmosphere at ASU."**

Wina K.
Indonesia
Mathematics and statistics

Recent ASU and Mastercard Foundation Scholar alumna **Ntombizodwa M.** from Harare, Zimbabwe won a full scholarship to study at University of Cambridge in England to pursue her MD-PhD. While at ASU, she worked on cervical cancer detection and cofounded a project called Female Dreamers, which aims to empower girls and women to be economically independent. It won several awards, including the Millennium Fellowship with the United Nations, the Changemaker Award at ASU, Venture Devils funding, and the Pitchfork Award for Global Change and Global Impact Project, which was presented at the Clinton Global Initiative.

ASU and the metro Phoenix area — diverse and innovative communities

Just like ASU, Phoenix is a diverse community filled with people from all over the world. And like ASU, Phoenix is a forward-thinking place with lots of innovative ideas constantly being born and nurtured. The Phoenix metropolitan area has it all — scenery, good weather and lots to do.

admission.asu.edu/kaplan/phoenix

See

Phoenix is home to six professional sports teams, including an up-and-coming professional soccer team.

Access to: art walks, conventions, museums, music festivals and concerts, and eclectic architecture.

Do

Arizona is home to three national parks, including Grand Canyon National Park (one of the seven natural wonders of the world). The Phoenix area is also home to three of the largest city parks.

Access to: Phoenix Sky Harbor International Airport, the Grand Canyon and more.

Taste

Offering outstanding and healthy food choices from around the world — you're sure to find a taste of home.

Access to: restaurants serving our famous Southwest cuisine, coffee shops, food trucks and great international grocery stores with a variety of items from around the world.

Easy access to home

Sky Harbor International Airport in Phoenix is one of the busiest airports in the U.S. It's also known as America's friendliest airport. It's easy to reach from all of ASU's campuses, has more than 1,200 flights arriving and departing every day, and offers service to 23 international destinations.

A university in many places

ASU's four main campuses are located in the metro Phoenix area, and there is also an ASU location in Lake Havasu City on the California border.

Each has its own size, feel and academic focus, but all are the same ASU. Unlike other U.S. universities that have satellite or branch campuses, ASU students travel between campuses for classes, athletics, or social activities.

asu.edu/asucampuses

The College Tour

Watch ASU's episode of "The College Tour" on Amazon Prime and YouTube to hear from current students on their experiences and get an in-depth guided tour of all four campuses.

asu.edu/college-tour

ASU at Lake Havasu

Located in western Arizona, ASU at Lake Havasu is a smaller ASU location offering more than 20 undergraduate degree programs. You'll study with a group of close friends in a small, scenic town next to sparkling Lake Havasu.

asu.edu/asuhavasu

Student-to-faculty ratio: 15-to-1

Average class size: 15

Number of students: 175 undergraduates

International students: 57

Downtown Phoenix campus

The Downtown Phoenix campus plays an essential role in the health care, journalism, public service and corporate communities. Think professional and fast paced.

Student-to-faculty ratio: 15-to-1

Average class size: 29

Number of students: 11,420

International students: 404

Tempe campus

The largest campus features high-tech research spaces in an energetic and historic environment, where you'll get to experience all the student sporting events. Think inspiring programs and opportunities.

Student-to-faculty ratio: 20-to-1

Average class size: 39

Number of students: 53,286

International students: 7,392

Polytechnic campus

The Polytechnic campus is a thriving part of the enterprising East Valley. Think technical and innovative.

Student-to-faculty ratio: 18-to-1

Average class size: 28

Number of students: 5,243

International students: 916

West campus

The West campus offers a close-knit learning community dedicated to 21st-century leadership preparation. Think small liberal arts college style.

Student-to-faculty ratio: 12-to-1

Average class size: 25

Number of students: 4,929

International students: 258

Career preparation and employment

Career services

ASU's Career and Professional Development Services offers comprehensive resources to ensure that you are career ready, including:

- Access to our career platform, Handshake (asu.joinhandshake.com), which includes more than 40,000 internship and job opportunities.
- International student workshops and presentations.
- Virtual resources, including resume review and interview preparation.
- 2,200+ employers recruit at career and internship fairs.
- 1:1 career advising appointments.
- Access to the ASU Mentor Network, a platform for mentorship and informational interviewing.

Take the first step by joining a career interest community.

Working on campus

ASU offers opportunities for students to earn money by working on campus for the university. International students with an F-1 visa are allowed to work up to 20 hours per week during the academic year.

students.asu.edu/employment

"I met with an ASU career advisor before all of my interviews. They prepare you according to the actual position you're applying for, and ask you to talk about how your experience fits the specific job description. If you can't answer that, then you know you have more work to do. They really helped me a lot."

Graduate College

If you're earning a graduate degree, you know it takes vision, hard work and commitment. We want to make your experience better, from start to finish, with the resources, support and answers you need to progress in your master's program and thrive in your future career.

graduate.asu.edu

Wellness and safety

Supporting healthy campuses

As a student-centric university, the primary goal beyond the teaching and learning mission of ASU is the health and wellbeing of all students, scholars and staff that make up our vibrant academic community. And, as the most innovative university in the U.S., ASU sees it as our responsibility to drive solutions that address the challenges facing the world.

A recent example is how ASU adapted to COVID-19 and was a statewide leader in response to the pandemic. Since March 2020, ASU continued teaching and learning uninterrupted for students around the globe through the delivery of online classes taught live through ASU Sync technologies. Additionally, ASU researchers developed a saliva-based COVID-19 test that was available free of charge for all students, faculty and staff, and used at testing locations throughout the state of Arizona.

Counseling

If you ever have trouble adjusting to your new college or country, ASU Counseling Services provides professional counseling help, as well as free 24-hour crisis counseling.

sundevilining.asu.edu

"My first impression of ASU is that it is a great place for international students. Many people from various countries means there's lots to share. I've come here to learn new things, to build up my confidence, and to get global exposure to culture, diversity, jobs, everything."

Pranav P.

India

Mechanical Engineering

Housing for first-year undergraduates

Welcome to your new home

At ASU, first-year students are expected to live on campus, and will benefit from:

- Close proximity to classes, professors, libraries and services.
- Nearby access to the fitness complex and dining halls.
- Furnished rooms with Wi-Fi, cable and nearby laundry facilities.
- Common recreation and study areas, and community kitchens.
- 24-hour security, including secured key card access.
- Special programs, events and amenities tailored to your major.

Live with your classmates

You are expected to live in a residential college with others in your academic program. From the start of your college experience, you'll have built-in study partners and friends.

Housing and meal plan cost per year*

Phoenix-area campuses: \$10,246–\$25,394

ASU at Lake Havasu: \$12,230–\$14,240

* Rates are for 2022–23. Barrett, The Honors College housing and food costs will be higher due to the additional costs associated with the Barrett residence halls and meal plans.

Fact: On average, ASU students who live on campus do better academically and are more likely to graduate than students who live off campus.

Housing for undergraduate transfer, graduate or Global Launch students

University housing is limited on each campus. Qualifying undergraduate transfer students, graduate students and conditionally admitted ASU students in the Global Launch English Language Program are encouraged to apply early if they would like to try for on-campus housing.

Students participating in the ASU-USA Pathways Program are eligible to apply to live in one of two West campus residence halls, Las Casas or Casa de Oro.

Off-campus options

You may decide to live off campus in an apartment in the surrounding communities. The university provides a list of furnished, apartment-style dormitories near each campus, and other resources to help you find your own accommodation.

asu.edu/offcampus

Residential room types

Room choices vary by residence hall and campus, but may include:

- traditional, shared 2- or 3-person bedrooms with community bathrooms.
- 4-person, 2-bedroom suites with shared bathrooms.
- 2- and 4-person suites with private bedrooms and private or shared bathrooms.

You can view floor plans for student housing options on each campus at:

housing.asu.edu/residential-colleges

Apply early

Housing is available on a first come, first serve basis on the campus of your major. The housing portal opens in early January for the upcoming fall term and in November for the upcoming spring term. We recommend that you apply when the housing portal opens in order to have a good chance of being assigned a room. After that date, you are less likely to secure accommodations on campus.

**18 first-year
residential colleges
across 4 campuses**

"I think it is very cool living in Century Hall. The residence is quite small and we have a very nice community. I have a bunch of friends in here - we meet every day to watch movies and play videogames. My roommate is from LA and living with him and being around students from US, I have been able to learn a lot about American culture."

Jose P.
Ecuador
Applied Mathematics at Polytechnic Campus

Residents of Tooker House — home to students in the Ira A. Fulton Schools of Engineering on the Tempe campus — take a break during a study session at their residence hall.

Find your route to ASU

Kaplan helps students gain admission to 350+ bachelor's degrees, 200+ master's degrees and even an online high school diploma at ASU. We will guide you to your best option, whether you're ready to join now, need extra preparation first, or want to get a head start in your studies.

For the most up-to-date list of degrees, go to admission.asu.edu/kaplan/degrees

More program details:

- Bachelor's degrees: pages 19–21
- Master's degrees: pages 22–23
- English Language Program: page 25
- ASU-USA Pathways: pages 26–27
- ASU Prep Digital: pages 28–29

* Some degrees have higher or extra entry requirements. Equivalent English proficiency scores are accepted instead of TOEFL. See pages 30–31 for details. Official transcripts may be required on arrival for some programs.

What is a pathway program?

An academic pathway program prepares you for full admission to an ASU degree. It is designed to raise your English level and academic grades, and build degree-level study skills, while you start to earn undergraduate credit on campus.

What is conditional admission?

If you meet academic criteria for a bachelor's degree but do not currently meet the English requirements, ASU may offer conditional admission. This gives you time to improve your English level before starting a degree at ASU. Your conditional admission offer is valid for up to 3 semesters, during which time you can join ASU's English Language Program or submit a qualifying English test score.

What is transfer admission?

You can transfer into Year 2 or 3 of a bachelor's degree if you have already studied at another university or college. Your existing undergraduate credit is evaluated for acceptance by ASU: you'll find out how many credits will transfer with your offer of admission. When you complete your degree, it is awarded by ASU.

What is an exploratory program?

If you are "undecided" about what major you want to study, you can start in an exploratory track and learn more about your options within an academic field, without losing time or credit.

What is admission with deficiencies?

If you meet all the criteria for graduate admission but would benefit from improving your speaking skills (or your preferred master's has an English score requirement of TOEFL 90+), ASU may offer you admission with deficiencies. You must complete ASU's English Language Program at Advanced 2 before starting your master's.

Why apply with Kaplan?

Through our streamlined form with no application fee, we can help you apply to ASU's programs and degrees. Our education advisors are experts in the university's admission process and will provide valuable guidance and local support during your application.

Academic and English preparation with Global Launch

ASU Global Launch provides English language and academic preparation for international students who want to improve their English for university admission or career advancement. To learn more, visit: globallaunch.asu.edu

English Language Program (campus or online immersion)

In this fully immersive program, you will improve your English proficiency and boost your academic performance and American cultural competency in a full-time, active learning setting. When you complete the ELP, you can transfer into all ASU undergraduate programs and most ASU graduate programs without a TOEFL score.

ASU-USA Pathways

This program is for first-year international undergraduate students who want to ease into the American university experience and begin their for-credit degree study while receiving additional language and cultural support. See details on pages 26–27.

More than 650 Global Launch alumni are currently enrolled at ASU in undergraduate and graduate degrees, including business, civil engineering, computer science, electrical engineering, finance, supply chain management and more.

Did you know?

Global Launch has helped more than 130,000 students improve their English since 1974, and has served students from 160+ countries.

ASU's Tempe campus has many impressive facilities, including W. P. Carey School of Business

English Language Program

Where: on-campus (Tempe) or online immersion

Intakes: 5 per year (January, March, May, August, October)

Program content: 21 hours of class time (3 courses) per week. Online Immersion students have 10 hours of synchronous sessions; the remaining hours are asynchronous. You will master reading, writing, listening and speaking skills at the university level and participate in cultural immersion and social activities designed to enhance learning.

Campus Immersion students in Basic and Intermediate levels also take a course in communications; those in Advanced levels take a specialization course in business, humanities or STEM.

Key facts for students with conditional admission

Level: Undergraduate and LLM students take a language test on arrival and are placed in 6 ELP levels: Advanced 1, Advanced 2, Intermediate 1, Intermediate 2, Basic 1 or Basic 2.

Please note: ELP levels do not equate with TOEFL ranges. The ELP placement test may have a different result than the standardized TOEFL test because the placement test requires a broader understanding of how English functions, and assesses English on a more finely detailed level.

Duration: 8 weeks per level, up to 1 year total

Entry requirements: qualify academically for a bachelor's degree, LLM or pathway program (see pages 30–31).

Progression:

- To a bachelor's degree – on completion of ELP Advanced Level 2 with a B- (80%) or higher.
- To ASU-USA Pathways program – on completion of ELP Intermediate Level 2 with a B (84%) or higher, OR completion of Advanced 1 Level with a C (70%) or higher.
- To LLM degree – program cumulative GPA of at least 3.33, with no courses graded below a B.

Key facts for students admitted with deficiencies

Level: Graduate students take ELP Advanced 2

Duration: 8 weeks

Entry requirements:

- "admitted with deficiencies" to an ASU master's degree (not available for Sandra Day O'Connor College of Law, W. P. Carey School of Business or Walter Cronkite School of Journalism).
- ELP may be required to improve your speaking skills or if your chosen master's program has a TOEFL 90+ requirement.
- minimum TOEFL 80 or equivalent

Progression: to your chosen master's program – on completion of ELP with a B- (80%) or higher.

ASU-USA Pathways program

Earn your ASU degree on time

You will begin your first-year, degree-seeking undergraduate coursework on day one, which will keep you on track to complete your degree in 4 years. You will transition into your degree with transferable credits.

Guaranteed admission to an ASU degree program

Progress automatically to many of ASU's majors in international and general business, as well as arts and sciences, when you successfully complete the ASU-USA Pathways program.

Key facts

Where: West campus

Program duration, by secondary school grade:

- **GPA 2.75:** 1-semester Pathways (4 months): Business, Global Management, or Arts and Sciences track
- **GPA 2.50:** 3-semester Pathways (12 months): Business, Global Management, or Arts and Sciences track
- **GPA 2.00:** Extended Pathways (14 months): 8 weeks of English Language Program before 3-semester Pathways; Global Management or Arts and Sciences track only

Intakes: 2 per year – January or August for 1- and 3-semester Pathways; October or May for Extended Pathways.

English entry requirement: TOEFL 55 or equivalent for all Pathway tracks and durations. See page 30 for details.

Ease into American university life

Immerse yourself in the English language and American culture, take courses with other ASU students and enjoy access to on-campus housing, dining and activities.

Learn at your own pace

The ASU-USA Pathways program is offered in various durations to give you maximum flexibility as you progress to your undergraduate degree studies. Alternatively, you can extend your time with Global Launch for additional support.

Progression to a degree: to transfer into the majors listed opposite, complete Pathways with the minimum required GPA.

1-semester program (progress to year 1, semester 2)		
Pathways track	Non-credit courses	Academic credit courses
Business		GPA 3.25 with no grades below a B*
Global Management / Arts and Sciences	GPA 2.75	GPA 2.75 with no grades below a C
3-semester program (progress to year 2, semester 1)		
Pathways track	Non-credit courses	Academic credit courses
Business		GPA 3.00 with no grades below a C*
Global Management / Arts and Sciences	GPA 2.50	GPA 2.50 with no grades below a C

* Accountancy, BS requires a 1230 SAT or 25 ACT in addition to the GPA requirement.

93% of ASU-USA Pathways students progressed to an ASU degree – since the program was established

Program structure and curriculum

Your track, duration and intake determine which courses you will take, shown with • below.

	Course title	Business track		Global Management track Arts and Sciences track	
		1-semester program	3-semester program	1-semester program	3-semester program

	The Living World		•	• (August start only)	•
	Total transferable credits:	10	26	9 or 10	25

Courses are subject to change.

Course content

Non-credit language and support classes help you improve your English and academic performance at university level.

Each course has 3 hours of class time per week.

ASU academic credit courses are first-year undergraduate courses, so you'll earn credits to transfer to your chosen bachelor's degree. Students in the 1-semester program earn 9 or 10 credits, and those in the 3-semester program earn 25 or 26 credits. You will have 18–30 hours of coursework per week. See the curriculum table above for which courses you will take.

Degree progression options

Business track:

- Accountancy, BS
- Business: Communication, BA
- Business: Global Logistics Management, BA
- Business: Language & Culture, BA
- Business: Sustainability, BA

Global Management track:

- Global Management, BGM
- International Trade, BS

Arts and Sciences track:

- Applied Computing, BS
- Applied Mathematics, BS
- Biology, BA/BS
- Communication, BA/BS
- Environmental Science, BS
- Forensic Science, BS
- History, BA
- Interdisciplinary Arts & Performance, BA
- International Trade, BS
- Latin American Studies, BA
- Philosophy, Religion & Society, BA
- Political Science, BA/BS
- Psychology, BA/BS
- Social & Behavioral Sciences, BA/BS
- Social & Cultural Analysis, BA
- Sociology, BS
- Spanish, BA
- Statistics, BS

Please note: These degrees on the West campus offer guaranteed progression to students who successfully complete the Pathways program. However, all majors at ASU are available if students meet program-specific entry requirements for transfer admission when they exit ASU-USA Pathways.

ASU Prep Digital: online during high school

ASU Prep Digital is an accredited online US high school that gives you options for getting a head start on a US university degree while you are in high school. You can study anywhere in the world and in your own time zone. All you need is an internet connection.

U.S. high school diploma

Experience a U.S. education and prepare for university admission from the convenience of your own home with a full-time U.S. high school diploma. All courses are taught completely online, making it a fully flexible option — you can work where you want, on your own schedule, using adaptive learning technology. To experience ASU Prep Digital's interactive learning environment, visit: asuprepdigital.org/course-tours

Advantages to you:

- Receive mentorship and guidance from your personal Learning Success Coach.
- Real-time instruction and progress monitoring through live webinars.
- Opportunity to take up to 2 university courses per semester at no additional cost, and earn transferable university credits.
- Join a global student community through online clubs and organizations.
- Progress to the next level when you're ready, without being held back by your age or current school year.
- The diploma is an accepted qualification for any US university application. If you graduate with GPA 3.0+, you'll meet the admission requirements for ASU and other public universities in Arizona.

Dual diploma

International students can earn a U.S. high school diploma, in addition to their local secondary school qualification, by completing at least 12 (0.5 credit) courses through ASU Prep Digital. You'll have access to the same world-class online learning systems, personal Learning Success Coach, and university-level courses as the full-time diploma.

Part-time university courses

High school students can enroll in individual courses through ASU Prep Digital and earn undergraduate credits. Credits are then transferable to ASU degrees and other US universities.

There are more than 200 ASU courses available at significantly reduced tuition. Part-time study while you are in high school will give you an accelerated path toward university admission and careers of the future. Visit:

asuprepdigital.org/college-credit-comparison/

"ASU Prep Digital was perfect for me since I spent so much time on the go, in a different time zone, and needing something that was a lot more flexible. **I was also able to work ahead and finish a 4-year curriculum in 3 years.**"

Hannah
South Korea
Graduate of ASU Prep Digital

Tuition costs

US high school diploma: \$750 per course (students typically take 6 courses per semester).

Dual Diploma: \$9,000 per year (program is minimum of 1 year but may be longer if more credits are required).

Part-time university courses: up to \$1,000 per 3-credit course.

Scan this QR code for more details about these 3 study options with ASU Prep Digital.

Other online options

ASU is continually innovating to offer flexible and accessible academic opportunities for international students.

Please check our website in 2023 for details of the new University Foundations Program:

Admission requirements

For direct admission to bachelor's degrees

First-year students must have a minimum 3.00 GPA from secondary school (4.00="A") or graduate in the top 25% of their class. For comparable high school qualifications in other countries, visit: asu.edu/undergradadmission

Some degrees have higher admission requirements:

- **Bachelor of Science majors in W. P. Carey School of Business:** GPA 3.40 OR top 8% of secondary school graduating class OR a qualifying SAT/ACT score.
- **BSN Nursing:** GPA 3.80 OR top 10% of secondary school graduating class OR GPA 3.50 and a qualifying SAT/ACT score. Additional requirements and an exam for transfer students.
- **Journalism major:** GPA 3.00 in specific core competency courses OR a qualifying SAT/ACT score.
- **Schools of engineering (Tempe campus):** GPA 3.00 in specific core competency courses OR a qualifying SAT/ACT score OR top 25% of class.

See pages 19–21 for specific degrees marked with **I**.

Transfer students must have 24–64 transferable credits from their college or university with a minimum 2.50 GPA (or 3.00 GPA for admission to the schools of business, journalism or sustainability, or schools of engineering at Tempe campus).

English proficiency requirements*

	TOEFL/ KiBT	IELTS / IELTS Indicator	Pearson PTE / Online	Duolingo DET	KIL certificate	Global Launch English Language Program
Minimum for admission	61	6.0	53	95	Advanced	Advanced 2 with B- (80%)
Majors with higher requirements						
Nursing, BSN	76	6.5	-	100	-	Advanced 2 with B- (80%)
Fulton Schools of Engineering on Tempe campus	79	6.5	58	105	Advanced	Advanced 2 with B- (80%)
Journalism majors	100	7.0	73	120	-	-

Other ways to demonstrate English proficiency include citizenship of an English-speaking country or territory, or secondary school transcripts to indicate the sole medium of instruction was English. See admission.asu.edu/international/undergrad/english-proficiency for details.

For ASU-USA Pathways

Students must have minimum grades from their last 3 years of secondary school of:

- GPA 2.75 or equivalent for 1-semester Pathways
- GPA 2.50 or equivalent for 3-semester Pathways
- GPA 2.00 or equivalent for Extended Pathways

To transfer with 12–24 undergraduate credits, you must meet this same GPA criteria in your previous undergraduate coursework.

English proficiency requirements*

TOEFL/KiBT	IELTS /IELTS Indicator	Pearson PTE / Online	Duolingo DET	KIL certificate	Global Launch English Language Program
55	5.5	39	90	Higher Intermediate	Intermediate 2 with B (84%)

* Conditional admission may be offered to applicants with lower English scores.

For direct admission to master's degrees

Undergraduate qualification: equivalent of a U.S. bachelor's degree from an officially recognized institution. Competitive applicants typically have a "B" (3.00 on a 4.00 scale) grade point average in the last 60 semester hours or 90 quarter hours of undergraduate coursework. If you have a lower GPA, your application may still be considered by the department.

Some programs have higher requirements, such as specific undergraduate coursework and minimum grades. Additionally, for competitive programs, the average GPA of admitted students may be significantly higher than the minimum requirement:

- **MS Industrial Engineering:** minimum GPA 3.20
- **MS Computer Science (all concentrations):** minimum GPA 3.25; average GPA 3.60
- **MA/MS Sustainability:** minimum GPA 3.25
- **MS Electrical Engineering (Art, Media and Engineering):** minimum GPA 3.50
- **MBA (W. P. Carey School of Business):** average GPA 3.63
- **LLM Master of Laws:** minimum GPA 3.00 in a degree that qualifies you to practice law (equivalent of a JD degree in the U.S.)

GMAT or GRE score required by some programs:

- **W. P. Carey School of Business; Thunderbird School of Global Management:** GMAT or GRE.
- **College of Health Solutions; College of Liberal Arts and Sciences; Fulton Schools of Engineering:** GRE for some degrees.
- **College of Integrative Sciences and Arts; Herberger Institute; New College:** GRE for a few degrees.

See pages 22–23 for specific degrees marked with **I**.

Other supporting documents must be submitted for many programs, e.g., letters of recommendation, statement of purpose, or a resume. Architecture, art and design degrees often require a portfolio or audition.

Review your degree's admission standards and required application materials in ASU's Graduate Degree Search: asu.edu/grad

English proficiency requirements**

	TOEFL/ KiBT	IELTS / IELTS Indicator	Pearson PTE / Online	Duolingo DET	KIL certificate	Global Launch English Language Program
Minimum for admission	80	6.5	60	105	Proficiency	Advanced 2 with B- (80%)
Degrees with higher requirements

Scholarships

ASU offers generous scholarships to high-achieving international students:

- up to \$14,500 for first-year undergraduates, renewable annually
- up to \$10,000 for transfer and graduate students
- up to \$8,500 for ASU-USA Pathways students

No separate scholarship application is required.[‡]

Submit a complete ASU admission application to be considered. You will be informed of any scholarship amount with your offer of admission.

[‡] Applicants to the Master of Global Management can choose to also submit a Thunderbird School scholarship request, at the time of their admission application, to be considered for an additional award averaging \$21,000.

LLM students can apply for a tuition scholarship after admission, once they have confirmed their place. The average amount awarded is \$5,000.

Cost of attendance

The cost of attendance is the estimated cost of completing your first year as a full-time student. Costs will vary depending on personal spending habits and program of study.

	Undergraduate degree		Graduate degree				
	Metropolitan Phoenix campuses	ASU at Lake Havasu	Typical ASU master's program	W. P. Carey School of Business master's	Herberger's The Design School	Thunderbird School's Master of Global Management	
Typical program duration	4 years		2 years	9 or 12 months (or 21 months for MBA)	1–3 years	2 years	
Credits in year 1 (on which costs are based)	24 credits		18 credits	30–36 credits	18–42 credits	24 credits	
Base tuition	\$32,760 ¹	\$10,784	\$26,460 (plus program fee ²)	\$53,180–\$62,430 (incl. program fee)	\$28,460–\$61,920 (incl. program fee)	\$35,000 ⁺ (incl. program fee)	
Undergraduate college fee	\$1,850 ³		n/a				
Student services fees [§]	\$640	\$180	\$900				
Housing and food	\$16,091 (Tempe campus ⁴)	\$14,706	\$17,771 (off-campus)				
Books, course materials, supplies, and equipment	\$1,320		\$1,062				
Transportation	\$1,536		\$3,352				
Personal	\$2,200		\$4,364				
Health insurance	\$2,765		\$2,765				
Estimated annual total	\$59,162	\$35,341	\$56,674	\$83,394–\$92,644	\$58,674–\$92,134	\$65,214	\$82,244

Global Launch programs

	ASU-USA Pathways Business track	ASU-USA Pathways Global Management / Arts & Sciences track	Extended Pathways	English Language Program
Tuition	\$15,600 for 1-semester; \$38,316 for 3-semester	\$15,600 for 1-semester (fall start), \$14,300 (spring start); \$37,016 for 3-semester	\$39,816 (3-semester Pathway program + 8-week ELP)	\$2,800 per 8-week level
Financial guarantee amount [†]	\$25,000	\$25,000	\$25,000 + \$6,700 for ELP	\$6,700 for Campus Immersion ¹

Tuition and fees reflect full-time rates for the 2022–2023 academic year. Living expenses have been calculated for the Fall 2023 intake. Check online at students.asu.edu/financialaid/coa for the most up-to-date and detailed information.

¹ First and second year students in the Polytechnic School (Fulton Schools of Engineering on Polytechnic campus) and New College of Interdisciplinary Arts and Sciences (on West campus) receive a 10% discount on base tuition.

² Program fees are charged by some graduate programs, ranging from \$0–\$8,550. For example, Fulton Schools of Engineering charge a program fee of \$900 per academic year. Visit students.asu.edu/tuition to see if your program has additional fees.

³ Represents the highest undergraduate college fee category. Visit tuition.asu.edu/cost-calculator/tuition to see which fee is associated with your program. The Honors College has an additional fee of \$2,000 per academic year.

⁴ See costs for other campuses at housing.asu.edu/living/costs

[§] Includes Recreation Fee, Student Service Facility fee, Health and Wellness Fee, Graduate Student Support fee, and other student experience funding.

[†] International applicants need to show evidence of funds (e.g. bank statement(s), sponsor letter) to cover their estimated cost of attendance for the first academic year of study, including tuition, fees, housing, food, health insurance, books, course materials, supplies, equipment and visa fees. Amounts valid for 2023.

¹ For full cost information, see globallaunch.asu.edu/learn-english/english-language-program/costs

Academic year ends	May 3, 2025

* Not all master's degrees have a January intake.

** There is no summer intake at ASU at Lake Havasu.

Additionally, only a few master's degrees have a summer start.

Attendance at Welcome events is compulsory. During your program, there are breaks of 2 to 4 weeks between each semester. Application, I-20 and arrival dates are based on 2022–23 academic calendar and are subject to change.

ASU-USA Pathways program

Fall 2023 intake

Application deadline	July 10, 2023
I-20 request deadline	July 14, 2023
Programs start	August 10, 2023
1-semester pathway programs end	December 12, 2023
3-semester pathway programs end	June 22, 2024

Spring 2024 intake

Application deadline	December 1, 2023
I-20 request deadline	December 8, 2023
Programs start	January 2, 2024
1-semester pathway programs end	May 7, 2024
3-semester pathway programs end	December 6, 2024

Global Launch English Language Program

5 intakes per year, 8 weeks per session

Fall A 2023:

Campus Immersion application deadline	July 18, 2023
Online Immersion application deadline	August 3, 2023
First day of session	August 10, 2023
Last day of session	October 6, 2023

Fall B 2023:

Campus immersion application deadline	September 5, 2023
Online Immersion application deadline	September 28, 2023
First day of session	October 5, 2023
Last day of session	December 6, 2023

Spring A 2024:

Campus Immersion application deadline	December 2, 2023
Online Immersion application deadline	December 26, 2023
First day of session	January 2, 2024
Last day of session	February 27, 2024

Spring B 2023:

Campus Immersion application deadline	February 5, 2024
Online Immersion application deadline	February 26, 2024
First day of session	March 4, 2024
Last day of session	April 30, 2024

Summer 2023:

Campus Immersion application deadline	April 8, 2024
Online Immersion application deadline	April 29, 2024
First day of session	May 6, 2024
Last day of session	July 3, 2024

Application deadline exceptions

Dates on this page are for students applying through Kaplan to ASU programs that align with the standard application deadline. These degrees have additional processes and/or earlier deadlines:

- Biochemistry, MS
- Chemistry, MS
- Computer Science, MS/MCS
- School of Life Sciences MS programs

Programs requiring a portfolio

- Master's degrees in The Design School (architecture, industrial design, urban design, visual communication design, etc.)
- MFA degrees in the School of Art

Programs requiring an audition or interview

- Degrees in the School of Music, Dance and Theatre
- Film and Media Production, BA

Details at herbergerinstitute.asu.edu/admissions

Next steps: application and admission

Step
01

Submit your application to Kaplan

Go to: admission.asu.edu/kaplan/asu-apply

Also upload copies of supporting documents, including academic transcripts and test scores. No personal statement, recommendations or resume are needed for undergraduates, but additional documents are often required from master's applicants.

Step
02

Application review

Kaplan will notify you of any missing documents or information, and check specific requirements for your desired program. Once complete, Kaplan will submit your application to ASU — the standard application fee is waived — and you will get access to My ASU, the university's student portal.

Step
03

Receive admission decision from ASU

When ASU receives all your official supporting documents, ASU will make an admission decision. If you are admitted, you will be guided in My ASU through the remaining steps to enrollment.

Step
04

Accept your place at ASU

To secure your place at ASU, pay a deposit*** or confirm your intent to enroll before any I-20 deadline.

Step
05

Request your I-20 and apply for a visa

After ASU receives the required financial documents from you, they issue a visa eligibility document (Form I-20). Visa appointment and processing wait times vary greatly. Apply up to 120 days before the start date on your I-20.

Step
06

Complete pre-arrival tasks

Once you have your visa, you must confirm your housing and complete any necessary forms and placement tests before you arrive. It is important that you read and understand all the pre-arrival information you are given through My ASU.

Step
07

Start your program at ASU

Make travel arrangements to arrive in the U.S. in time for international student Arrival and Welcome. The schedule of events will help you meet new friends and learn about ASU. Pay the balance of your tuition and fees by the payment due date (usually one week after classes start).

*** Deposit amounts:
Undergraduate degrees: \$300
Master's degrees in W. P. Carey School of Business: \$500
MBA in W. P. Carey School of Business: \$1,000
Master's degrees in Thunderbird School of Global Management: \$500
ASU-USA Pathways: \$888
English Language Program: \$650

Learn to thrive[®]

This brochure has been drafted in advance of the academic year to which it applies. Every effort has been made to ensure that the information is accurate at the time of publishing, but changes (for example to program content) are likely to occur given the interval between publishing and commencement of the program. It is therefore very important to check the website or contact us for any updates before you apply. Once you have applied, any change which impacts the terms and conditions of your offer or a significant part of your program will be communicated to you.
